## Harford Christian School

“The measure of a man’s character is what he would do if he knew he would never be found out.” Thomas Macaulay

“Athletes first; winning second,” is the theme in all Harford Christian School athletics. Because our ultimate goal is to develop Christian character in young people.

A solid work ethic, poise in adversity and personal confidence are traits learned on athletic fields. At Harford Christian School, those tools are merely a means to an end: to serve Christ. That is what sets us apart.

The championship banners and trophies that line the lobby and gymnasium are impressive. As early as the fifth grade, HCS students have the opportunity to participate in athletics. And from the very beginning they are taught the greatest lesson of life: do all to the glory of God.
