“Wisdom *is* the principal thing; *therefore* get wisdom:
and with all thy getting get understanding.” Proverbs 4:7

The Bible is the textbook for life, the revelation of the omnipotent God, and the most important class any student will ever take. Thus, is it required each semester of study at Harford Christian, K4 - 12th grade.

Through the Scriptures, young people learn of Jesus Christ, man’s only hope of eternal salvation. Through their classes, independent studies, extensive memorization of Scripture, chapels and study groups, HCS students are exposed to this greatest instrument of God and how it relates to them personally. HCS teachers are their guides, helping them to discover the Bible's currency and endless wisdom.
